**Re: Premium 4 Ton 16 SEER Air Conditioner (FS4BF-048KB)**

NORDYNE is pleased to announce the availability of a NEW 4 ton (16 SEER) Air Conditioner. The new model utilizes a new compressor and was created to meet the Federal Tax Credit Requirements for both Furnace and Air Handler matches. NORDYNE will begin substituting existing orders to the new model beginning this week; new models will be denoted with "KB" in the model number. Customers should expect to begin receiving the new model within the next 2 weeks. Updated TSL's are currently available online in addition to new AHRI ratings. For specific qualifying matches please check the AHRI Directory. Below are New SKU's, models, class codes, and pricing.

<b>SKU</b>	<b>Model</b>	<b>Class Code</b>	<b>List Price</b>
920877F	FS4BF-048KB	153	\$5,842.00
