**RE: Small Package 5 ton Tax Credit Units**

ROUTE TO:	✓ SEEN	No. of Copies Distributed

NORDYNE is beginning to ship the P5RF and Q5RF 5 ton package units. These units are in the extended base pan footprint. The current packaging is not strong enough to support the weight of two units for transporting in and around warehousing. Until we can increase the box strength please only move one unit at a time. We have added a new warning label to the box.
