RE: DRAIN CONFIGURATION FOR THE G7 GAS FURNACE IMPROVEMENT

To ease with the installation of the G7 gas furnace, Nordyne will now factory install the inline drain assembly. This should aid the installer in install the furnace.

In addition Nordyne has flared the end of the tubing that connects between the secondary heat exchanger cover and the inline drain assembly. This will make it easier to install the drain tubing.

If you have any questions please call Nordyne Technical Service Department at 1-800-422-4328 ext. 2.
